

## NEW DMR II PRO RIFLESCOPE

Bushnell's DMR line of riflescopes are trusted by military, law enforcement and PRS champions - shooters who know every shot counts. The new DMR II Pro Rifle Scope combines that performance with ED Prime Glass. The best glass Bushnell offers, ED Prime Glass brings out rich color and the finest details, even (and especially) in low light. The DMR II Pro has all the other great features of its predecessor, and remains the only choice when precision is a requirement.

### INDUSTRY LEADING FEATURES:

**ED PRIME GLASS** - Delivers amazing color and crisp detail, even in low-light conditions (In some models).

**EXO™ BARRIER** - Bushnell's premiere protective lens coating repels water, oil, fog dust and debris.

**FULLY-MULTI COATED OPTICS** - Multiple layers of anti-reflective coating enable superior light transmission and bright images.

**THROWHAMMER™ LEVER** - Makes magnification changes a snap with the flick of a finger.
