ENGAGE X BINOCULARS

PREMIUM OPTICAL FEATURES COMBINE FOR DUSK/DAWN PERFORMANCE AT AN AFFORDABLE PRICE

• **ENHANCED LOW-LIGHT (DUSK & DAWN) PERFORMANCE**

Fully-Multi Coated optics provide a brighter and clearer image at dusk and dawn when you need to see the most.

• **LIGHTWEIGHT, WATERPROOF CONSTRUCTION**

23% lighter than the Engage DX 10x42 for less weight in the field and on the range while still delivering excellent optical performance and IPX7 waterproof rating.

• **CONFIDENT GRIP AND IN HAND COMFORT**

Durable rubber armor with aggressive texturing reduces the chance of dropping and give a confident hand feel in any weather.

• **SMOOTH, SHARP FOCUS**

Ultra-smooth focus wheel allows you to focus in on your subject quickly for perfect definition when you need it.

PURPOSE-BUILT FOR:

Users that demand a performance optic with a lightweight chassis.

IDEAL FOR:

- Hunters
- Range Use
- General Observation
