

Bushnell®

TROPHY CAM HD ESSENTIAL E2

MARKET RELEASE DATE:

May 2016

Keep a watchful eye on your favorite outdoor spot around the clock with the new Bushnell® Trophy® Cam HD Essential E2. Adjustable settings allow you capture one to three images per trigger, or anywhere from five to 60 seconds of video at a time. Adjust the trigger interval anywhere from one second to 60 minutes to capture that perfect shot. The 3, 8 or 12 MP resolution and automatic day/night sensor ensure crisp, vivid images every time. No camera is more efficient. The Trophy Cam HD Essential E2 lasts up to 12 months on one set of batteries. If you want to see what's out there, all you have to do is set one up.
