

PRECISION ON THE RANGE OR IN THE FIELD WITH TWO DIFFERENT MAGNIFICATION/OBJECTIVE LENS CONFIGURATIONS

LOCKING DIOPTER
ADJUSTMENT

EXO BARRIER
WATERPROOF+FOG
REPELLENT

NEW FOR 2017

The Bushnell® Engage™ – its best-in-class optic, with new industry leading features. The entire line is backed with the all-weather assurance of Bushnell's exclusive EXO Barrier lens coating – it repels water, debris, oil and fog. The fully multi-coated optics offer maximum brightness and clarity, and they're housed in a lightweight and rugged magnesium chassis. ED Prime Glass and a locking eyepiece diopter ensure razor sharp images every time.
